

OUR PURPOSE

- To preserve the heritage of the oyster dredging skipjacks of the Chesapeake Bay.
- To construct scale model presentations of the Chesapeake Bay skipjacks.
- To race the models for public and personal entertainment.
- To demonstrate a level of individual craftsmanship in the construction of model skipjacks.

- *Skipjack racing and open class racing*
- *Our fleet of 6 Victorias available for member use*
- *All skill levels are encouraged to join*
- *Members gladly share knowledge and skills*
