Amount Enclosed: \$ _____

**All registration fees are required no later than the Monday prior to the program date.
 Refunds will be given if cancellation is received by the Monday prior to the program date.
 All refunds charged \$5 per person.**

FOSSIL FIELD INFORMATION

This program is designed for people who want to learn more about fossils: where to find them, how to identify them, what they can tell us about the past. This program is for adults and children 8 and older accompanied by an adult. The group will assemble at

Cove Point Lighthouse at 9 a.m. You will meet our trained guides and you will learn about the Miocene fossils that you will be searching for on the beach. You will have beach time until 11:30 a.m. You will then leave the premises to eat lunch on your own and to commute to the Calvert

Marine Museum. You will be given an admission sticker good for the remainder of the day.

You may either bring a bag lunch to eat on the grounds of the Calvert Marine Museum or you may eat at one of the many restaurant choices available to you.

You will then meet your guide at the Calvert Marine Museum at 1 p.m. to discuss your finds and to utilize the Paleo Hall to learn about the ancient Miocene sea, the formation of Calvert Cliffs and talk to trained Docents in our Paleo lab. At 2 p.m. you are welcome to tour the museum on your own.

Wear appropriate clothing for beach combing, and bringing a change of clothes is recommended.

REGISTRATION PROCEDURES

Available dates in 2017:

- Saturday, May 20
- Saturday, June 17
- Saturday, July 15
- Saturday, August 19
- Saturday, September 16
- Saturday, October 21

Cost: \$20 per person
 Checks are payable to
 CALVERT MARINE MUSEUM

Ages: 8 through adult. An adult must accompany any child 17 and under. No children under 8 will be allowed with the program.

Pre-registration required at least two business days before the program; there is a \$5 charge for cancellations. Cancellations must be received 5 business days before the program or money will not be returned.

To register by mail: Fill out the tear-off registration form and mail it with your payment to:
 Fossil Field, Calvert Marine Museum,
 PO Box 97, Solomons, Maryland 20688.

If you have any questions, contact Melissa McCormick at 410-326-2042 ext. 41 or mccormmj@co.cal.md.us
